Check below for each workshop you want to attend. Choose only one workshop per week. Register for as many weeks as you wish. All Workshops will be held at the Huber Opera House 9:00-noon on the following Saturdays:

- _____ Jan. 20 **Intro to the Theater & Dance Steps for Stage** Instructor: Julie Hall
Learn about the Huber from the inside, including all about Amelia, our friendly ghost. Learn all the correct terminology that is specific to the stage and some dance moves that work for stage musicals.
- _____ Jan. 27 **Auditions Without Fear** Instructor: Julie Hall
Auditions can be terrifying, but they don't have to be! Learn the ins and outs of what directors are looking for during an audition and how you can prepare to land that perfect role.
- _____ Jan. 27 **Backdrop Creation** Instructor: Jeff Crabill
Work with a local artist to create a backdrop for the summer production of Lion King, Jr. Hands on painting will require you to wear old clothes. This workshop might also meet on Feb. 3 and/or Feb. 10 to complete the backdrop.
- _____ Feb. 3 **Set Design & Planning** Instructor: Dave Snyder
Plan & design set pieces for Lion King Jr. Learn about the elements to consider when making a set to exemplify the show's settings and how to determine techniques and materials to use to get special effects. You might become one of our designers for this summer's production!
- _____ Feb. 3 **Introduction to the Sound System** Instructor: Josh Stairhime
Learn how to run the Huber sound system including special effects, using CDs, & setting up wireless mics.
- _____ Feb. 10 **Introduction to the Lighting System** Instructor: Josh Stairhime
Learn how to program the Huber lighting system, set lights, create special effects for any kind of production.
- _____ Feb. 17 **Costume Design and Construction** Instructor: Marilyn Guilford
Create costumes for the summer production of Lion King Jr. Learn tips & techniques for costume construction
- _____ Feb. 17 **Props & Costume Accessories Design & Construction** Instructor: Julie Hall
Create props and masks for the summer production of Lion King, Jr. Hands-on construction during workshop.
- _____ Feb. 24 **Costume Design and Construction** Instructor: Marilyn Guilford
Create costumes for the summer production of Lion King Jr. Learn tips & techniques for costume construction
- _____ Feb. 24 **Props & Costume Accessories Design & Construction** Instructor: Julie Hall
Create props and masks for the summer production of Lion King, Jr. Hands-on construction during workshop

You will be reminded by email and/or text of your workshops a week in advance.

Parent Permission: I give my permission for my child to participate in the Huber Theater Workshops. I understand that aspects of the project will be photographed or filmed as a part of the project.
